EXPERIENCE

Max Ketch | Freelance Web Developer — Jan 2021 - Present

I developed and designed websites for small businesses. Used a combination of HTML, CSS, Javascript. My portfolio links to my work.

My Portfolio:

EDUCATION

Ocean County College, Toms River, NJ — *Current Student for Associates in Computer Science / Information Technology*

September 2020 - 2022

Current student for Computer Science / Information Technology. Programming focused. I'm learning subjects such as Java programming and database management.

eCornell, Ithaca, NY — *Certificate in Web Design & Development*

January 2021 - March 2021

Online course in learning how to design websites and to use languages such as HTML, CSS, and Javascript to make clean, beautiful, responsive websites.
